TO ALL DEBTOR ATTORNEYS AND CREDITORS:

The Chapter 13 Trustee now offers Electronic Funds Transfer (EFT) as a payment option for our monthly disbursement process. EFT consolidates our disbursements to you into a direct deposit, enables you to receive payments on your claims quickly, and eliminate the potential of checks being lost in the mail. To begin the process of receiving EFT payments, please complete and mail the form below, along with a copy of our disbursement check(s) you would like converted to EFT to our correspondence address:

Once received, we will send you the required forms for account verification and authorization. EFT payments will receive an email voucher and you will be able to access the transaction detail via National Data Center (ndc.org) and our 13network website.

Should you have any questions, please email vikki.smith@ch13columbus.com. We think you will be pleased with this EFT option, and hope you will participate.
